June 21, 2018

Dear Parents/Guardians:

The Swift School First Grade Teachers have developed a list of supplies needed for their respective grade levels. We are providing you with this list to prevent you from purchasing unnecessary items for the upcoming school year.

While we try to provide a comprehensive list, your child's teacher may indicate one or two additional items when school begins in the fall. Please be sure to communicate with your child's teacher at the start of the 2018-2019 school year.

In closing, we understand that many families may be experiencing difficult times financially. Therefore, please know that if you are unable to purchase these supplies, your child will be provided everything that is needed for a successful school year. Enjoy the rest of your summer and we look forward to working with you and your child in September.

Yours in Education,

Patricia Connor  
Principal
